Anyone to whom you give your access codes will have full access to your accounts even if you attempt to limit that person’s authority. Additionally, that person will have full access to any other of your accounts which are accessed by those access codes, even if those accounts are in your name with another person.

None of our employees or employees of our affiliates will contact you via phone or e-mail requesting your access codes. If you are contacted by anyone requesting this information, please contact us immediately at our phone number shown in the section below entitled Notify us IMMEDIATELY for Unauthorized Transactions.

Touch Authentication

If you chose to register your fingerprint using Touch ID you must enroll in the feature by navigating to the security preference menu and completing the enrollment process.

It is recommended that you do not allow any other individual’s fingerprints to be enrolled on the device while using this feature. If this is allowed, you understand that the individual(s) whose fingerprints are stored on the device may have the ability to authenticate into your mobile banking session and have access to sensitive data and account functionality.

Protecting Your Personal Information

In addition to protecting your access codes, you should also take precautions to protect your personal identification information, such as your driver's license, Social Security number, or tax identification number. This information by itself or together with account information may allow unauthorized access to your accounts. You should treat personal information with the same level of care that you would for your account information. You should also protect and secure all information and data stored in any personal computer or other equipment you use to access our Online Banking service.

Individual Agreement for Online Banking Service

We do not have joint agreements for our Online Banking service. If you are an individual or sole proprietor, you are the only customer under this agreement. However, any of the accounts to which you have access through our Online Banking service may be jointly owned with, or joint obligations with, others.

Person to Person Payments

1. Description of Service and Consent

Bank debit cardholders may send one-time Transfers to Bank customers or a depositor of another financial institution. Notice is given to the Recipient by the Sender providing the Recipient's email address or mobile phone number. You may originate these Transfers by use of a computer or a mobile smart phone. You may register for the Service which will make future Transfers more convenient for you. To use this Service you are providing information to our Service Provider from your mobile phone, desktop, laptop, or other computer. Service Provider is a vendor of Bank.

By participating in the Service, you are representing to the Bank that you are the owner or you have the authority to act on behalf of the owner of the mobile phone number or email address you are using to send or receive messages regarding Transfers. In addition, you are consenting to the receipt of emails or automated text messages from the Bank or its agent, regarding the Transfers and represent to the Bank that you have obtained the consent of the Recipients of your intended Transfers.

Funds may be transferred to any account in the United States as long as the Transfer is legal and allowed by the financial institutions involved.

2. Eligibility

Individuals aged 18 years and older with a debit card issued by Bank are eligible to use this Service to send funds to a Recipient. Any individual age 18 years and older with an account in the United States that may receive POS or ACH transactions may use this Service to receive funds that are transferred by the Sender. The Service is not offered to individuals under the age of 18. Other restrictions and eligibility requirements apply as described in this Agreement or

other disclosures. Bank does not knowingly collect any personal information from or about individuals under 18 years of age. Please do not submit such information to the Bank, and as a parent or legal guardian, please do not allow your children to submit personal information without your permission. By using the Site or the Service, you represent that you meet these requirements.

3. Transfers

You may make one-time Transfers by entering your debit card number and email address. The Sender provides the Recipient's email address or mobile phone number, and the Service uses this information to notify the Recipient. A Recipient must accept the Transfer within 10 days, or the Transfer will be cancelled and reversed. During this period, funds will be removed from the Sender's Account for the amount of the Transfer and the fee. Once the Recipient has successfully accepted the Transfer, funds will be sent to the Recipient's financial institutions for deposit to the Recipient's account. If the Sender and Recipient are both Bank customers enrolled in the Service, Transfers will be immediately debited from the Sender's Account and reflected in the Recipient's Account. If the Sender and Recipient are both enrolled in the Service but are customers of different financial institutions, Transfers will be immediately debited from the Sender's Account and will be delivered to the Recipient's financial institution once claimed. Bank is not responsible for any failure of another financial institution to timely credit its customer's account.

You acknowledge and agree that Transfers will be completed using only the email address or mobile phone number you enter even if it identifies a person different from your intended Recipient. The name you enter will help you identify your intended Recipient in the drop down menu and your transaction history but will not be used to process payments. You must accurately enter the Recipient's email address or mobile phone number since your obligation to pay for the Transfer will not be excused by an error in the information you enter.

Transfer Instructions relating to external accounts and the transmission and issuance of data related to such Transfer Instructions shall be received pursuant to the terms of this Agreement, and the rules of the National Automated Clearing House Association ("NACHA") and the applicable automated clearing house, as well as any EFT Network, or networks, utilized to automate the transfer of funds and governed by Regulation E, (collectively, the "Rules"). The parties agree to be bound by such Rules as in effect from time to time. In accordance with such Rules, any credit to an Account shall be provisional until the Bank or the third party institution, which holds the account, has finally settled such credit.

It is the responsibility of the Sender and Recipient of funds to provide accurate information. You agree that you as Sender are authorized to withdraw or as Recipient are authorized to deposit funds into the Accounts whose numbers you provide or into the Accounts associated with the card number you are providing. You authorize the Bank, directly or through third parties, to make any inquiries considered necessary to validate your identity. This may include asking you for further information, requiring you to take steps to confirm ownership of your email address or financial instruments, ordering a credit report and verifying your information against third party databases or through other sources.

You authorize the Bank to debit your account to complete the Transfer you request. If you are receiving funds, you authorize the crediting of your account using card networks or NACHA

4. Sender Acknowledgment

By using this Service you, as the Sender, authorize the sending of an email or text message instructing the Recipient how to receive the funds that you are sending. You are further authorizing any Recipient of this message to act on the instructions to receive the funds you are sending. You acknowledge that any party receiving the email message at the email address you provide or text message at the mobile phone number you provide may obtain the funds you are sending.

You acknowledge and agree that we are not responsible for determining the identity of the party who receives the email or text message and acts upon the email or text message you provide. Your funds may not reach the intended Recipient because of errors made by the Sender or Recipient and you could lose all the funds. The funds that are credited to the account cannot be recalled by us. If you suspect that you have entered information incorrectly, call us immediately and we may be able to cancel the Transfer. We have no obligation to cancel the Transfer or to reimburse funds that were transferred according to the Sender's instructions. Furthermore, we may reject any Transfer request and may terminate your use of this Service for any reason including attempting insufficient funded Transfers.

5. Recipient Acknowledgment

By using this Service you as the Recipient are confirming that you are the person to whom the Sender intends to transfer funds. As the Recipient, you will be asked to provide your debit card information that will be used to transfer funds to your Account. If you choose not to provide your debit card information or your institution does not participate, you will be asked to provide account information including account number and routing information for your financial institution. In this case the funds will be transferred through the Automated Clearing House.

It is important that you enter accurate information. You agree that Bank, the receiving financial institution and our Service Provider may rely solely on the instructions you provide. If you enter inaccurate cardholder or account number information the funds may be deposited into another person's account. You acknowledge that the financial institution may make the deposit based on the account number or card number you provide even if those numbers do not correlate to the name that you provide. Retrieval of these funds will be the Recipient's responsibility to work with the financial institution to which the funds were sent. You may lose all the funds that were transferred. The funds that are credited to the account cannot be recalled by us.

If you suspect that you have entered information incorrectly or that you have received funds in error, call us immediately and we may attempt to cancel the transaction. We have no obligation to cancel the Transfer or to reimburse funds that were transferred according to the Recipient's instructions.

By using this Service you agree that you are the intended recipient of the email or text message and that you are the intended recipient of the funds. If you are not the person to whom the funds are intended then you agree to take no further action. You understand that it is a federal felony to use another person's identification with the intent to commit unlawful activity. You represent that the information you are providing is your true and correct information. If any information you provide is fraudulent, Bank reserves the right to recover all costs or losses from you, regardless of whether such costs or losses are incurred directly or indirectly.

6. Limitations on Transfers

You may transfer up to \$500.00 per transaction; \$1,000.00 per day. The Bank may change these limits on the number of Transfers and on the total dollar amount of Transfers that can be attempted or completed with this service. You may send multiple Transfers each day; a separate fee may be charged for each Transfer you send. We may modify the amount and frequency of Transfers at any time for security reasons or due to account activity.

Funds may be transferred from the account from which the debit card is authorized to transfer funds. Such transfers may overdraw your account and may result in a transfer from another account to cover the overdraft. In any of these situations, a transfer fee will be charged, as applicable. You may be denied service for insufficient funds in your account. You will be responsible for any other transaction fees that apply to your Account.

Please note that your mobile carrier may charge you for text messaging. Please check your mobile service agreement for details on applicable fees. The receiving institution may have limits on the number and type of Transfers allowed. Your financial institution may also charge a transaction fee.

7. Timing of Transfers

Transfers to remove the funds from the Sender's Account may take place immediately. However, the timing of funds received will depend on when the Recipient responds to the email and when their financial institution posts the Transfer. The posting of the Transfer is dependent on the business days of that institution.

8. Issues Affecting the Posting of Transfers

You authorize us to debit your account to complete the Transfer you request. If you are receiving funds, you authorize the Bank to credit your Account using card networks/switches or NACHA.

Other events may affect the timing or success of a Transfer reaching the intended Recipient. Such events may include, but are not limited to, errors made by the Sender or Recipient in entering information, inaccurate account or card number information, delays in posting by the receiving institution, acts of God, and network and NACHA interruptions. If we believe the Transfer may be illegal, we may decline or reverse the Transfer. The receiving institution may choose not to post the Transfer or to delay posting the Transfer. Neither the Bank nor the Service Provider is responsible for any delays in the Transfer of funds or the posting of funds to the Recipient's Account. You may have certain rights and responsibilities regarding the failure to timely post transactions and you are encouraged to pursue dispute resolution with the receiving financial institution.

Financial institutions have rules and regulations that govern their accounts. Some of these regulations may not allow a POS or ACH transfer of funds. You are responsible for ensuring that these types of Transfers are allowed for the Account that you specify. For example, an IRA may not allow electronic transfers directly into the Account. We are not responsible for any action or lack of action taken by the financial institution that delays, inhibits, or prevents the posting of the Transfer to the Account.

9. Security

The Sender and Recipient of funds may choose to register for this Service to simplify their future use of the Service. They will be asked to create a username and password and you are responsible for keeping them secure. We will not ask you for your password.

Communications Link and Your Equipment

It is your responsibility to obtain and maintain your online communications link to our Online Banking service to ensure that your use of such communications link is in compliance with applicable requirements, including any requirements of telecommunications companies and authorities. You are responsible for obtaining, installing, maintaining and operating all hardware, software and Internet access services necessary for obtaining our Online Banking service.

Limits on Online Funds Transfers

You must have enough available money or credit in any account from which you instruct us to make a transfer. All transfers must be in U.S. Dollars.

For security reasons, we may implement limits on the number or amount of transactions you can make using our Online Banking service. We also reserve the right to limit or suspend access to our Online Banking service as we deem necessary for security reasons. We may also limit access from countries other than the United States of America.

If any qualifying accounts are money market deposit accounts or savings deposit accounts, certain types of withdrawals from those accounts, including payments and transfers, are limited to a total of no more than 6 in any specified period. The specified period for money market deposit accounts is the monthly statement period. The specified period for savings deposit accounts is a calendar month. The kinds of withdrawals covered by this limitation are those made by means of preauthorized or automatic transfers and payments or telephone agreement, order or instruction. A total of only 6 of these kinds of withdrawals may be made by check, draft, debit card, or similar order payable to third parties.

When Online Funds Transfers are Made

Transfers are not final at the time we receive your instructions, but we will begin to process them promptly. You should allow at least 1 business day for us to process transfers.

Each transfer will be posted to any account with us from which it is made, and to any other account with us that is involved in the transaction, on the business day on which the transfer is made. Each transfer you make on a non-business day, or after our Online Banking cut-off time on any business day, will be considered made on the following business day. Information you obtain about your accounts using our Online Banking service may not reflect transactions that have not yet been posted to your accounts. You should keep that in mind when you perform or attempt to perform any transactions on the basis of such information.

Our Liability for Failure to Complete Transfers from Consumer Accounts

If we do not complete a transfer from a consumer account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are exceptions. We will NOT be liable, for instance:

- If, through no fault of ours, you do not have enough available money in the account from which a transfer is to be made, or if the account has been closed or is not in good standing, or if we reverse a transfer because of insufficient funds.
- If any transfer would go over the credit limit of any account.
- If your equipment or ours was not working properly and the breakdown should have been apparent to you when you attempted to conduct the transaction.

- If you have not given us complete, correct or current account numbers or other identifying information so that we can properly credit your account or otherwise complete the transaction.
- If you do not properly follow our instructions or if you provide us with wrong or inaccurate information or fail to correct or tell us about any inaccuracy of which you are aware.
- If you do not instruct us soon enough for your transfer to be received and credited.
- If the money in the account from which a transfer is to be made is subject to legal process or other claim restricting the transaction.
- If circumstances or persons beyond our control prevent, delay, intercept, or alter the transaction, despite reasonable precautions that we have taken.

Business Days

Our Online Banking service is generally available 24 hours a day, 7 days a week. However, we only process transactions and update information on business days. Our business days are Monday through Friday. Holidays are not business days.

Stopping or Changing Transfers

If you want to stop or change transfers you have instructed us to make, you must notify us before we have started processing the transaction. This applies to both individual transactions as well as preauthorized recurring transactions. The normal way to do this is for you to access the appropriate function in our Online Banking service no later than the day before the business day the transfer is scheduled to be made, and either delete it or make the change.

You may also call or write us at:

Account Services

or by using any electronic stop payment method which we provide for this purpose. If you call or write, you must do this in time for us to receive your request 3 business days or more before the transfer is scheduled to be made. If you call, we may also require you to put your request in writing on paper and get it to us within 14 days after you call. If you order us to stop a preauthorized recurring transfer from a consumer account as described above, and we do not do so, we will be liable for your losses or damages.

Statements

Your funds transfers will be indicated on the monthly statements we provide or make accessible to you for the accounts with us that are involved in the transaction. We may also provide or make accessible to you statement information electronically or by some other means. You agree to notify us promptly if you change your address or if you believe there are any errors or unauthorized transactions on any statement or in any statement information.

Disclosure of Information to Others

See our separate "Customer Information Privacy Notice" for more information about how we use customer information and your choices.

Your Liability for Authorized Transactions

You are liable for all transactions that you make or authorize, even if the person you authorize exceeds your authority. If you have given someone your access codes and want to terminate that person's authority, you must notify us that transactions by such a person are no longer authorized. We may have to change your access codes or take additional steps to prevent further access by such person.

Notify us IMMEDIATELY for Unauthorized Transactions

Tell us AT ONCE if you believe your access codes have been lost, stolen or otherwise compromised or used without your authorization. Quickly telephoning us is the best way of reducing your possible losses. You could lose all the money in your account (plus your maximum overdraft line of credit).

You may call or write:

Account Services
Grand Rapids State Bank
523 NW 1st Ave
Grand Rapids MN 55744
(218) 326-9414

If we provide you with another electronic means of notifying us for this specific purpose, you may use that means. However, DO NOT use a general e-mail service or other electronic means that we have not specifically authorized for this purpose.

Your Liability for Unauthorized Transactions From Consumer Accounts

This section applies only to transactions from consumer accounts.

If you tell us within 2 business days after you learn of the loss or theft of your access codes involving a consumer account, you can lose no more than \$50.00 if someone used them without your authority.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your access codes, and we can prove that we could have stopped someone from using them without your authority if you had told us, you could lose as much as \$500.00.

Also, if your statement for a consumer account shows transfers covered by this agreement that you did not make or authorize, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods.

Transfers Involving Insufficient Funds

If you instruct us to make a transfer and you do not have a sufficient balance in the account from which you are making the transfer (including available credit under any overdraft line), we may refuse to complete the transaction. We may do this even if there are sufficient funds in accounts other than the one you were using to make the transfer. If we complete a transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction in the account from which the transfer is made, you agree that we may reverse the transaction or offset the shortage with funds from any other account you have with us. In any case, you are fully obligated to us to provide sufficient funds for any transfers you make or authorize.

If we do not make a transfer, or if we reverse a transfer, because of insufficient funds, we are not required to make any further attempt to process the transfer or to notify you that the transfer has not been completed. You may be liable for a non-sufficient funds fee under the terms governing the account from which you made, or attempted to make, the transfer.

If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we are not required to provisionally credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to provisionally credit your account for the amount you think is in error.

When the investigation is completed, we will make any necessary or appropriate adjustments to your account. We will tell you the results within 3 business days after completing our investigation. Changing Terms and Terminating This Agreement

This agreement will stay in effect until it is changed or terminated.

We have the right to terminate this agreement at any time. We will ordinarily send you notice of any termination, but we are not required to do so unless applicable law requires such notice. Once we terminate this agreement, no further or pending transfers will be made, including but not limited to any transfers scheduled in advance or any preauthorized recurring transfers. We may routinely terminate Online Banking service for customers that have not used the service within the first 30 days after activation or if the service has been inactive for a year.

We also have the right to make changes in this agreement at any time. We will comply with any notice requirements under applicable law for such changes. If applicable law does not specify any notice requirements for the change, we will decide what kind of notice (if any) we will give you and the method of providing any such notice.

You may terminate this agreement at any time by notifying us in writing. However any instructions from you to make transfers will continue in effect until we have received your written notice of termination and have had a reasonable opportunity to act upon it. Once we have acted upon your notice, no further or pending transfers will be made, including but not limited to any transfers scheduled in advance or any preauthorized recurring transfers.

You are not permitted to alter or amend this agreement or any related document without our express written consent. Any attempt to do so will be void and unenforceable.

Waivers

No delay or omission by us in exercising any rights or remedies under this agreement or applicable law shall impair such right or remedy or be construed as a waiver of any such right or remedy. Any single or partial exercise of a right or remedy shall not preclude further exercise of that right or remedy or the exercise of any other right or remedy. No waiver shall be valid unless in a writing enforceable against us.

Except as otherwise provided in this agreement, all notices required to be sent to you will be effective when we mail or deliver them to the last known address that we have for you in our records or when we make such notices available to you through electronic means. You agree to notify us promptly of any change in your mailing address, e-mail address or telephone number.

You agree that we may tape record any telephone conversations you have with us regarding the services covered by this agreement. However, we are not obligated to do so and may choose not to in our sole discretion.

Attorney Fees

If we become involved in legal action to defend or enforce this agreement, you agree to pay our reasonable attorney fees and court costs, to the extent not prohibited by law.

Law That Applies

Regardless of where you live or work or where you access our Online Banking service, this agreement is subject to the federal law of the United States of America the internal law of the State of Minnesota. If any of the terms of this agreement cannot be legally enforced, they will be considered changed to the extent necessary to comply with applicable law.

THE FOLLOWING SPECIAL PROVISIONS APPLY ONLY TO BUSINESS ENTITIES OR INDIVIDUALS PERFORMING TRANSACTIONS FROM BUSINESS ACCOUNTS:

Company Representative If You Are a Business Entity

If you are a corporation, partnership, limited liability company, association or some other form of business entity, we will issue one set of access codes to a company representative. It is your responsibility to ensure that access codes are provided only to persons you authorize. You represent to us that each company representative and anyone else using your access codes has general authority from your company to give us instructions to perform transactions using our Online Banking service.

Each person using your access codes will have the ability to:

- Make transfers from qualifying accounts, regardless of the dollar amount of the transaction.
- Make transfers regardless of whether he/she is otherwise an authorized signer or an obligor on any accounts that are accessed.
- Obtain information that we make available about qualifying accounts.
- Obtain other services or perform other transactions that we authorize or allow.
- Allow anyone else to use those access codes to make transfers or obtain information or other services.

Your Liability for Transactions From Business Accounts

You are liable for all transactions that you make or authorize, even if the person you authorize exceeds your authority. If you or a company representative has given someone your access codes and want to terminate that person's authority, you must notify us that transactions by such a person are no longer authorized. You can terminate granted access codes yourself. You may call a branch representative for assistance with terminating an authorized user or company representative. We may have to change your access codes or take additional steps to prevent further access by such person.

Our system supporting our Online Banking service is designed so that it may be operated only upon entry of valid access codes. Since we condition access upon entry of valid access codes, we will accept instructions for transfers or other transactions from any person using valid access codes. This is so even if the person obtaining access:

- Is not a company representative.
- Exceeds your authority or that granted by any company representative.
- Does not have your authority.

- Has had his/her authority changed or revoked.
- Is an imposter or thief.

You agree to be bound by all transactions from any business account for which valid access codes were used. You authorize us to treat any instructions we receive using valid access codes as if the instructions had been made in writing and signed by the appropriate company representative. Unless there is substantial evidence to the contrary, our records will be conclusive regarding any access to, or action taken through, our Online Banking service.

Notwithstanding the foregoing, we agree that you will not be responsible for transactions which occur after you have notified us to block the access codes that were used to perform the transaction, and we have had a reasonable opportunity to do so. Thus, the sooner you notify us of a problem, the better you can keep your losses down. (See the Notify us IMMEDIATELY for Unauthorized Transactions section above.)

You agree to promptly examine all account statements and any confirmations of transfers which we or other financial Institutions may send or make available to you, and to promptly notify us of any discrepancy or error within 30 days of receipt of any such statement or confirmation. You may call or write:

Account Services
Grand Rapids State Bank
523 NW 1st Ave
Grand Rapids MN 55744
(218) 326-9414

as soon as you can, if you think your statement is wrong or if you need more information about a transfer covered by this agreement which is listed on the statement.
